

HAND-OUTS/CERTIFICATE

Each student and participating faculty member received a certificate of participation and the booklet. SAFE BOATING TIPS FOR ANGLERS, HUNTERS & CAMPERS (United States Boating Institute). The booklet is labeled with MRSPS contact information and the USPS web sites where students can locate boating games and more information about safe boating.

Each school library was given WATERSMART FROM THE START, Student Guide and accompanying CD.

Certificates were given to each participant with names printed on each certificate using the database created from the student lists provided by the school.

Other hand-outs have included pencils, floating key chains, and other items donated by local marine merchants and insurance companies.
